

WYOMING TRUST

ASSOCIATION

WYOMING TRUST
ASSOCIATION

UNIFY, STRENGTHEN, PROTECT

The Wyoming Trust Association (WTA) exists to provide an effective, collective voice for the trust industry in Wyoming. The WTA is recognized by the trust industry, allied professionals, and by legislators and regulators throughout Wyoming as the principal voice for trust and trust-related companies doing business in the State.

OUR MEMBERS

Our primary goal is state-wide representation from professionals across the trust and estate industry to create a holistic approach and collective wins for the state.

REPRESENTATION FROM:

Trust companies chartered by the State of Wyoming

Bank trust companies with Wyoming trust powers

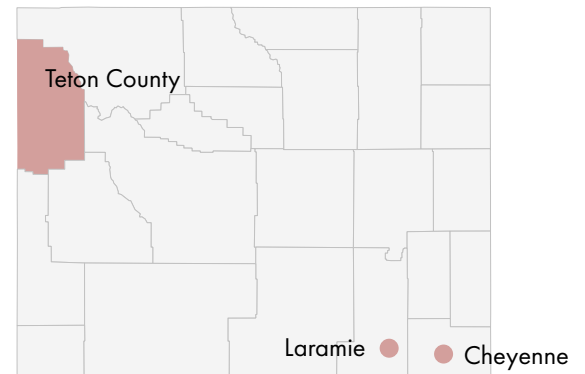

Law firms with offices in Wyoming that have an attorney that serves as a director or general counsel

Independent public accounting firms

DOING BUSINESS IN:

WYOMING TRUST
ASSOCIATION

WHY JOIN THE WTA

- A “seat at the table” when the WTA develops marketing materials and legislative and regulatory positions and priorities for the trust industry doing business in Wyoming.
- The opportunity to participate in task forces and working groups that work directly with the Division of Banking on behalf of the Wyoming trust industry.
- Information about pertinent changes in Wyoming laws and regulations.
- The chance to be an active part of the community of trust companies doing business in Wyoming that speaks responsibly and collectively for good public policy and practice
- Participation with other executive officers of WTA member trust companies in joint policy meetings with the leadership of the Wyoming Banking Division.
- The opportunity for member company staff to get to know and interact with their counterparts in other member trust companies.
